COMPANY PROFILE

REGIKANSAH VENTURES was registered under the Business Act, 1962 as a company to provide fumigation, pest control, cleaning services, industrial chemicals, production and distribution of detergents and disinfectants to organizations and individuals.

REGIKANSAH VENTURES has staff with expertise, varied areas of experience and competencies acquired over a number of years of active practice in the respective fields with organizations and individuals.

At REGIKANSAH VENTURES, we aspire to become the provider of environmental services of choice providing best practice solutions tailored for individuals and organizations.

We are guided by:

- **Creativity** – Providing simple, but effective “out of the box” [tailor-made] solutions to clients
- **Integrity** – Providing our services ethically and reliably
- **Leadership** – Breaking new grounds and leading the way in environmental services.
- **Timeliness** – Providing quality services in a timely manner.
